

## Declaration of placing products on the marketplace without CE marking

VULKAN do Brasil Ltda

Rod. Engenheiro Constâncio Cintra, Km 91

Bairro da Ponte

CEP: 13252-200 – Itatiba – São Paulo – Brasil

>

In accordance with Machinery Directive 2006/42/EC, VULKAN defines membrane coupling DISCFLEX DNZ G as partly completed machinery. Therefore, the CE marking is not permitted.

>

VULKAN hereby declares that all laws, directives and standards regarding the placement of safe products on the market are complied with.

In the case of subsequent conversion and/or modification to the membrane coupling this declaration becomes invalid.
