

Declaration of placing products on the marketplace without CE marking

VULKAN do Brasil Ltda

Rod. Engenheiro Constâncio Cintra, Km 91

Bairro da Ponte

CEP: 13252-200 – Itatiba – São Paulo – Brasil

>

In accordance with Machinery Directive 2006/42/EC, VULKAN defines elastic couplings Flexomax GE, GG and GH as partly completed machinery. Therefore, the CE marking is not permitted.

VULKAN hereby declares that all laws, directives and standards regarding the placement of safe products on the market are compiled with.

>

In the case of subsequent conversion and/or modification to the elastic couplings this declaration becomes invalid.
